

HOME IMPROVED. FINANCE SIMPLIFIED.

Move forward with your home-improvement project without the financial stress. FTL Finance makes it simple for you to improve your home's quality while staying within a monthly budget. Our straightforward process keeps costs transparent and timelines on track so you always know what to expect.

BENEFITS OF FINANCING

- Protect your rainy day fund
- Payment plans to fit within your monthly budget
- No penalties for paying the loan off early
- Finance projects as low as \$300, including service and repair work
- Easily make payments online, by phone, or through auto-pay

YOU CAN EXPECT

- Approvals based on your entire financial situation, not just your credit score
- A simple application process, with loan decisions ready within 15 minutes
- Dedicated customer service and online account management
